Drop In Mascots & Sports Balls

We have hundreds of stock mascots and a wide array of sports balls available. Most of our designs can have a mascot or sports ball added to them. Please contact our Decoration Department for details.

Custom Appliqué Perfect for corporations!

Appliqué isn't just for schools and teams - it is perfect for your company's logo. Not only does appliqué provide a vibrant and stylish look, but appliqué typically offers a tremendous savings over large and costly full front or back embroideries.

Let us take your company's logo to the next level with appliqué!

NEW Reverse Appliqué

With reverse appliqué a laser cuts a precise design through the outer layer of the sweatshirt, revealing a colored layer beneath. The result is a unique distressed layering effect that your schools and teams will love!

Available on both our adult (style 9755) and youth Spirit Logo Hooded Sweatshirts (style 8755).

Choose from our Stock Appliqué designs or use your own school or team logo.
